EXCELLENCE IN CARAVAN & RV MANUFACTURING

We're proud to have won the caravan manufacturer of the year award, for the second time running!

This is the most highly sought after award in the caravan industry, judged by a panel of industry experts appointed by the CIV (Caravan Industry Victoria). The award stands for excellence in caravan manufacturing. The winner is selected via an intensive awards submission process where every aspect of the business is put under the microscope.

Whilst our biggest reward continues to be the smiles on our customers faces as they enjoy their Crusader Caravans, it is wonderful receiving this endorsement from the caravan industry.

Thank you to all our customers for your support.

## OUR FAMILY BUNK RANGE

### Magical memories to last a lifetime

What better way to enjoy the company of your family than in your caravan? Memories your kids will forever cherish, like gathering around the campfire roasting marshmallows, playing on the beach before a sumptuous BBQ at the caravan, listening to the sound of a river running or waves crashing as you lie in bed, or simply the smell of countryside.

How wonderful life can be!

*"The minute we walked inside the Family Bunkie at the LeisureFest we fell in love with the quality, space, storage, and value for money. The service we have received from Crusader has been brilliant. We are now on our second lap of Oz and our van has been brilliant every step of the way. I couldn't recommend Crusader vans more highly."*

## Style, luxury and exceptional build quality

With seven different models to choose from, every van is crafted from top quality materials by highly skilled Australian tradespeople who take care and pride in their work.

*"After having 3 Euro vans in 8 years, we decided it was time to buy an Australian van. It just happened that the dealer we bought our Euros from started selling Crusader. One look and we were hooked!! We love our Aramis and Crusader has been absolutely amazing! We could not be happier with our decision and our van. It's the best van we have ever had!"*
