*Indicative lengths and weights are for standard configuration, any additional options or variations will increase weights. Weights are approximate only and can vary between individual caravans. The Compliance Plate specifies the accurate weight for each respective caravan. Alterations to designated ATM may be requested at the time of order provided it does not exceed the legal maximum and is subject to the final tare weight. Floor length is the external total length of the caravan's floor. Overall width is measured externally and includes all protruding fixtures

Images shown are for representation purposes only.

"After extensive research we chose to purchase a Crusader Caravan. We wanted an Australian made caravan and we were impressed with the high manufacturing quality, state of the art technology, ruggedness and design of the Crusader Excalibur range. We couldn't be happier with our Serenity model..."

Andrew Fraser - Crusader Excalibur owner

WINNER MANUFACTURER OF THE YEAR 2025
