WHAT OUR CUSTOMERS HAVE TO SAY

The quality of the caravan build is excellent and choosing our own colours just makes it all so special. The service we have received from the dealer has been outstanding and far ahead of the other dealers we have bought from. The closeness and location for our servicing will also be really easy for us. Look forward to many happy camping holidays with our little one and family alike.

- Mark and Tracy, Horotiu NZ

I did 12 months of research and well and truly looked at each brand. I liked several but after ticking off all the boxes the Topaz was the one left standing and I love it.

- Carolyn, Yellow Rock, NSW

We are really enjoying our Topaz, the space and storage is fantastic, and all the extras we had fitted are all working really well. Overall we are extremely pleased with our purchase, and very happy to recommend Avida.

- Merv and Ronda, Otumoetai NZ

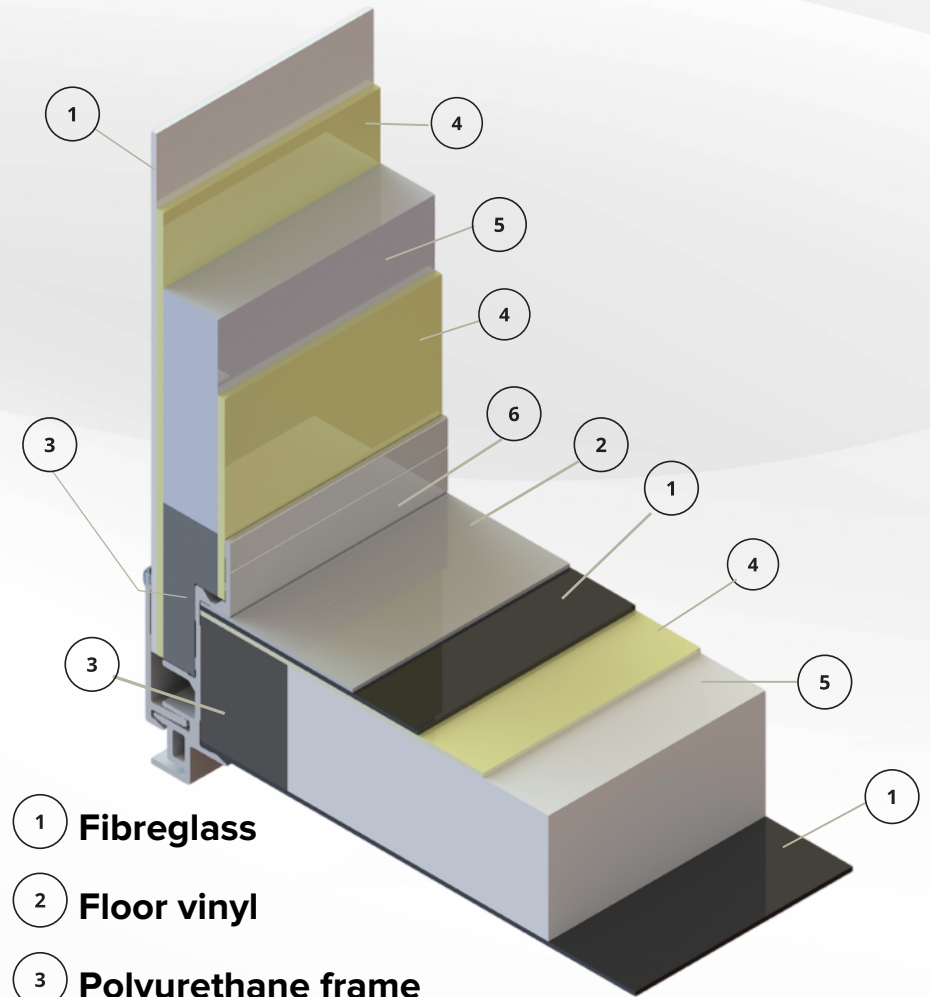

We had a 50th Avida Topaz and decided to update and had no hesitation to have another Avida Topaz as always outstanding service and quality.

- David and Karen, Toowoomba, Qld

Avida is a family owned business and has been manufacturing RVs in Australia since 1965. The Topaz range was first launched in 2014. Built using Avida's unique sandwich panel construction with a one-piece floor, walls and roof. You can view the Avida Topaz caravan, available at your local Avida dealer or take a virtual 3D tour on the Avida website.
